AMENDMENT TO ADD FIGURE 3

TO: Assistant Commissioner of Patents
Washington, D.C. 20231

Dear Sirs:

Applicant respectfully submits herewith FIG. 3 which was inadvertently not filed with the above-identified patent application on January 15, 2002.

Applicant hereby states that the upper portion of FIG. 3 is identical to FIG. 2. The lower portion of FIG. 3 is a cross-section view of a conventional beverage cup 48 with a cover 46.

Since FIG. 3 only contains a conventional beverage cup and cover with the package or carrier of FIG. 2 mounted on the cover, and since the structure is described in the specification, Applicant submits that FIG. 3 does not contain any new matter.

Applicant respectfully requests that Figure 3 be entered into the application.

Respectfully submitted,
